Subject: **Trinity EMR NextGen Pilot Program Subsidization**

I am pleased to inform you that Trinity Health is offering a pilot program to affiliated physicians for the implementation and integration of a physician office electronic health records (EHR) software program. Trinity will pay for seventy-five percent of the cost of the initial setup and seventy-five percent of the monthly cost for the first year of service from NexGen. This offer is only applicable to the NextGen software.

Mount Carmel can have up to 30 participants (physicians) in the pilot. If you are interested, please contact Anita Jordan, Director of Physician Information Services at (614) 234-9207. Slots will be filled on first-come, first-serve basis.
